SENATOR GOODRICH: Mr. President, members of the body, this is the bill that Senator Marvel had a question about as to whether or not the amendment I put on it had any fiscal impact. We verified that with him. I had the Fiscal Staff verify it with him rather than that it did not have any fiscal impact. He is now satisfied. He relayed that message to the Chair. . . to the Clerk rather. I now move that we advance 466.
